

Hello Bullseye sailors, family, and friends!

We are preparing for the annual **Bullseye Sailing Association** Annual Meeting, and we hope to see you there. We would love to see you sailing in Regatta but if you cannot participate on the water, we invite you to join us for the annual meeting.

An invitation from the president will be send to you and a zoom link will be provided.

In order to be able to vote for the next slate of officers and the amendments you must be a current member of the Bullseye Sailing Association.

Membership connects us as a community and provides valuable benefits for both the members and the class. For one it allows us to fund the grant program and expand the number of boats that sail. It also keeps us engaged and informed.

Please invite your crew, new boat owners and anyone you think might be interested in being a member.

Membership makes an impact, and it is very much appreciated.

Here is the link to join:
