November 2014 News Flash

Dear Bullseye Sailors,

Are you one of our many members who sails a Bullseye apart from the major fleets? Perhaps you sail at Mahone Bay, Nova Scotia, Frenchman's Bay, ME, Squam Lake, NH, Rocky River OH, St. Thomas, VI - or anywhere else. We would like to hear from you, and we are betting that many of our newsletter readers would like to hear stories of your sailing amusements and adventures. If you are willing to share your story, Newsletter Editor Al Maybach, editor@bullseyeclass.org, or Newsletter Producer Laura Hallowell, secretary@bullseyeclass.org, will interview you. Bullseyes are great for racing, but they are also great for recreational sailing, and we want to hear from you!

Secondly, we need your attention before the busy holiday season engulfs us all. This is the time that we send out our first dues notice for the 2015 calendar year. If you take care of it now, you won't get any more of these all year. You will be able to get your boat ready next spring knowing that you have supported your class. There is a choice of an individual membership at \$30 or a family membership at \$50 - for those with two family members over the age of 18, living in the same household who are both very active in the class or who just want another way to support the class. Thanks to all our Card Sound FL members and others who have already paid their 2015 dues and are ready to start their winter racing season.

Seasons greetings,

Kym Lee
